to their civil rights, on an equal footing in all respects with the white race, and, in regard to those rights, to exclude all discrimination between the two races by the States. Both are equally citizens of the United States and of the Emperor of Russin, both of States and of the State in which they reside, and in respect to neither can any State deny the equal protection of the laws. The question whether it is expedient for either that the two races should intermarry, is entirely distinct from the question whether the legal prohibition of use years, from whether the legal prohibition of use years, from whether the legal prohibition of use years, from the formal prohibition of the fourteenth Amendment. Such legislation has its basis in race caste.

Ans. \$120, \$180, \$10 per cent.

And Assity, \$180, \$10 per cent.

And then a glassity sulle crept over his cattle 5 weeks, 8 of and cattle 5 weeks, 8 of to their civil rights, on an equal footing in all respects with the white legislation has its basis in race caste race as an inferior and degraded race the Cincinnati Gazette has this to lymattering: "Potatoes, potatoes." And

The true and just position for the It is now expected that legal pro-The true and just position for the law to assume on this subject is, in our judgment, that of non-interference. The question of marriage, as between the two races, will best regsuch intermarriages, and there is no cover the connecting links, which ed against him shall prosper; the critics public interest to be secured by for-bidding them. In most of the States there is no such prohibition, and there should not be in any. To arm the should not be in any. To arm
